Exam dates and levels of certification are grouped by Field Exam Sites, both chronological and alphabetical order. Should you have any questions regarding testing at a Field Test Site, please contact the Test Site Coordinator who is listed for each Field Test Site.

Individuals interested in participating in Certification Exams must have a completed and approved application on file with the Field Test Site prior to testing. Candidates can obtain an application, candidate handbook, and skill sheets from our website www.osfc.pa.gov or by contacting a Test Site Coordinator of their choice. Candidates should contact the test site to schedule their attendance for any given Certification Exam.

Testing information such as application process, testing/re-test policies, pre-requisites, study guide information, and additional information about the specific level of certification can be found in the candidate handbook for each level of certification offered.

The OSFC/PSFA currently offers both Pro-Board and IFSAC certifications for 34 levels.
