PENNSYLVANIA FIRE SERVICE
VOLUNTARY CERTIFICATION PROGRAM

VEHICLE RESCUE TECHNICIAN
LEVELS I & II

CANDIDATE HANDBOOK

OFFICE OF THE STATE FIRE COMMISSIONER
PENNSYLVANIA STATE FIRE ACADEMY
Dear Certification Candidate,

Welcome to the Pennsylvania Fire Service Voluntary Certification Program. The purpose of this manual is to provide you information that will assist you in successfully participating in the certification test. This manual outlines the pre-requisites, testing and application process, and provides you with a study guide reference list. Tests are conducted under the sanction and approval of the Pennsylvania Office of the State Fire Commissioner with accreditation granted by the National Board on Fire Service Professional Qualifications (National Pro-Board) and the International Fire Service Accreditation Congress (IFSAC)

In accordance with Act 61 of 1995, The State Fire Commissioner Act, the Office of the State Fire Commissioner is the certifying agency within the Commonwealth of Pennsylvania and the Pennsylvania State Fire Academy is the administering agency. Any United States Citizen eighteen (18) years of age or older who resides in Pennsylvania may apply for consideration as a test candidate.

Good luck and thank you for participating in the Pennsylvania Fire Service Voluntary Certification Program.
**Application Process**

Obtain an application from either the Office of the State Fire Commissioner (OSFC) website [www.osfc.pa.gov](http://www.osfc.pa.gov) or an approved test site. You must fill out the form, in full, and provide all required documentation. The completed application and accompanying documents are to be submitted to an approved test site or PA State Fire Academy (PSFA). Your application is then reviewed and either accepted or rejected based on compliance and deficiencies (i.e., lacks pre-requisites, no signatures, etc.).

The general test process is as follows:
1. A candidate must submit a complete application including all supporting documents;
2. After the application is approved, the candidate takes the written and subsequently the skills tests (NOTE: the skills test cannot be taken before the written test);
3. Upon successful completion of the written and skills tests and a review of the application for completeness by the test site and PSFA or Delegated Authority, the candidate can be certified for the level tested. If a candidate should not pass any part of the testing process, a retest can be administered and must be completed within one (1) year of the original test date.

**Application Pointers**

1. Make sure the application is legible and check for completeness. Applications are pdf fillable, therefore all applications MUST be typed.
2. Social Security Number: you have the option to provide the full nine (9) or just the last four (4) digits.
3. Make sure you provide your complete name including suffix (Jr, Sr, III, etc.). NO nicknames!
4. Make sure your mailing address includes street, apartment number, city, state and zip code.
5. Make sure all necessary signatures are obtained and are SIGNED in BLUE or BLACK ink.
   a. Please note that Chief Officers CANNOT sign for themselves where a Chief Officer’s signature is required;
   b. For this requirement, another Chief Officer MUST sign this section of the application.
6. Legible copies of all pre-requisites must be attached and signed were applicable. NOTE: Copies must include both the front and back of the document where applicable. (i.e. CPR & Medical cards).
7. Make sure your Prerequisite Verification Form (found in the back of the application) is appropriately marked off and signed in BLUE or BLACK ink.

**Prerequisites**

A. Level I and II Technician

The candidate MUST be certified at the general requirements level prior to certifying as a Vehicle Rescue Technician. Any of the following are acceptable as proof of completion.
   a. General requirements certification (state or training agency issued, Pro-Board or IFSAC);
   b. Official transcript from an approved training agency showing successful completion of certification;
   c. National certification (IFSAC or Pro Board) as a rescue technician is a recognized rescue specialty (e.g., rope, trench, confined space, etc.).
B. Level II Technician
The candidate MUST be certified at the Vehicle Rescue Technician I level.

C. Level I and II Technician: Hazardous Materials Training and/or Certification:
Candidates MUST be trained or certified at the Hazardous Materials Operations Level in accordance with NFPA 472 (2013) Standard for Professional Competency of Responders to Hazardous Materials/Weapons of Mass Destruction Incidents, Chapter 5 (Core Competencies) and Chapter 6 (Mission-Specific), Section 6.2 (PPE) and Section 6.6 (Product Control) OR NFPA 1072 (2017) Standards for Hazardous Material /Weapons of Mass Destruction Emergency Response Personal Professional Qualifications, Chapter 5 (Operations Level Responders) and Chapter 6 (Mission-Specific), Section 6.2 (PPE) and Section 6.6 (Product Control). Attach a copy of one of the following recognized certificates (Jones & Bartlett curriculum):

Hazardous Materials Operations Level, OR
Hazardous Materials Operations Level Annual Refresher

The training or certification certificate must be dated within one year of the date of this application. Any training or certification certificate greater than one year from the date of this application will NOT be accepted in respect to fulfilling this prerequisite.

D. Level I and II Technician: CPR and Emergency Medical Care Training:
Candidate shall provide evidence, at a minimum of capabilities that include emergency medical care, infection control, and CPR (adult/child/infant). Below is a list of approved training courses that meet the requirements of this section. Each candidate must show, at a minimum, an approved CPR card/certificate and an approved medical care training course card/certificate or EMS certification.

Copies of both sides for the CPR and medical training cards must be submitted and the cards MUST be signed by the candidate to be valid. If the candidate has an E-card, a copy of the card must be provided with a clearly interpretable QR number or code.

**Vehicle Rescue Technician Certification Pathway**

**Technician I**
- General Core Rescue Certification
- NFPA 472 (or 1072) HAZMAT Operations
- CPR and Emergency Medical Training **
- NFPA 1006 Vehicle Rescue Technician Review/Prep (Not required)
- Vehicle Rescue Technician Level I Certification Completed Application, Successfully Pass Written and Practical Exam
- NFPA 1006 Vehicle Rescue Technician I Certification

**Technician II**
- Technician I Certification
- NFPA 472 (or 1072) HAZMAT Operations
- CPR and Emergency Medical Training **
- NFPA 1006 Vehicle Rescue Technician Review/Prep (Not required)
- Vehicle Rescue Technician Level II Certification Completed Application, Successfully Pass Written and Practical Exam
- NFPA 1006 Vehicle Rescue Technician II Certification

**Please refer to the Vehicle Rescue Technician I and II applications OR to Section D of this document for a complete list of approved courses that are accepted to meet the JPR.**
**Testing Policy**

**Written Test:** The written test is randomly generated, and the passing score is seventy percent (70%).

**Skills Test:** Candidates must pass one hundred percent (100%) of the skill stations offered for both Technician I and II.

**Re-test Policy**

**Written Test:** If you are unsuccessful, you have a total of two (2) retest attempts and have one (1) year to complete the retest. You will need to contact the fire academy or a test site to schedule a retest.

**Skills Test:** You must pass 100% of the skill stations offered.

- If you are unsuccessful on three (3) or less skill stations, you may retest the same day. Only one retest per skill station would be permitted on the same day.
- If you are unsuccessful on four (4) or more skill stations, you may NOT retest the same day. Skill retests must be scheduled for a later date and time.
- A total of eight (8) retest attempts are permitted and must be completed in one (1) year to successfully complete the testing process.

**Appeals**

A candidate may request a review of his/her performance records by the State Fire Academy within thirty (30) days of receipt of a failure notice. Appeals MUST be in writing and in accordance with the policies and procedures of the Certification Program.

Send to: Pennsylvania State Fire Academy  
Attn: Certification Program Manager  
1150 Riverside Drive  
Lewistown, PA 17044
**Accommodations**

The Pennsylvania Fire Service Voluntary Certification Program offers reasonable accommodations for the written certification exams for individuals with documented disabilities. Only written requests for accommodations for certification examinations are reviewed and each request is reviewed on a case-by-case basis. Requests must be submitted on the Accommodation Request form. The Pennsylvania Fire Service Voluntary Certification Program provides written notification of its decision to the candidate upon completion of its review and the review by legal counsel of the request for accommodation.

The *Accommodation Request* form is located on Page 8 of this manual or is available from the Pennsylvania State Fire Academy and test site coordinators. Please contact the Certification Program Manager for further information. The candidate who is requesting an accommodation must complete the request form at the time of application submission or as soon as the need for an accommodation is recognized. All requests must be made prior to the scheduled date of the examination. Any request for accommodation not submitted at least twenty (20) working days prior to the scheduled examination will result in a delay in the candidate’s date of examination.

Documentation of a specific disability which would impact a candidate’s performance on the written examination must be current (within five (5) years of the date of application). Such documentation should include a signed explanation on letterhead stationary from a professional who is familiar with the applicant’s disability or a copy of an Individual Education Plan (IEP) from an educational institution. See below comment.

The statement must confirm and describe the disability for which the accommodation is requested. The professional must have expertise in the specific disability for which the accommodation is being requested.
Request for Accommodation Form

Name of Candidate: ________________________________________________________________

Last Name                          First Name                            Middle

Address of Candidate: ________________________________________________________________

Telephone Number (area code): _______________________________________________________
(please list a number you can be reached during daylight hours 8am – 4pm)

County of Residence: ___________________ Email Address: ______________________________

Certification Level Requesting Accommodation for: _____________ Date of Test: __________

Test Site to which you have submitted your application: _____________________________

I reviewed the NFPA job performance requirements for the level of certification I am seeking; and I
am requesting the following accommodation(s) due to my disability related needs:

________________________________________________________________________________
________________________________________________________________________________
________________________________________________________________________________
________________________________________________________________________________

I have attached a statement on letterhead stationary from a professional who is familiar
with my disability. I understand that the professional must have expertise in the specific disability for
which I am seeking an accommodation for and the statement must confirm and describe the disability
for which the accommodation is requested. Statement is signed by the professional.

I am submitting a copy of an IEP (Individual Education Plan) which I have obtained from my
educational institution.

Signature of individual completing this form                                            Date

Printed or type name of the individual completing this form

Return this form to: Pennsylvania State Fire Academy
Attn: Certification Program Manager
1150 Riverside Drive
Lewistown, PA 17044
(717) 247-3743
**Safety Policy**
A candidate should meet the requirements of NFPA 1582 *Standard on Medical Requirements for Firefighters and information for Fire Department Physicians* prior to participating in any physical test to ensure his/her ability to safely perform the required tasks.

For the safety and protection of all participants, all equipment and Personal Protective Equipment (PPE) used in a test must meet the NFPA standard at the time of manufacturing. PPE will be inspected prior to use in a test.

The facial hair policy states candidates with facial hair which interferes with the operation or use of a Self-Contained Breathing Apparatus (SCBA) will not be permitted to participate in a test that requires use of a SCBA.

**Test Results & Release of Results**
The Office of the State Fire Commissioner / PA State Fire Academy notifies candidates of their results in writing via US Postal Service (i.e., mail). Only Pass/Fail grades are given.

In accordance with the Federal Education Records and Privacy Act (FERPA) of 1974 (a Federal law that established a minimum standard for the protection of educational records), PSFA requires prior consent from a candidate before any records or other personally identifiable information can be released. In the event a third-party requests test result, a Consent to Release Information form **MUST** be completed, signed, and submitted by the candidate to the PSFA before records are released to the third party.

**No show policy**
If a candidate is accepted for testing and fails to show up for the test without an acceptable reason, the test site has the right to enforce their no-show policy that could include but is not limited to suspension from testing for identified period of time and/or financial penalties.

**Professional Testing Integrity and Dishonesty**
Dishonesty in the professional test environment includes but is not limited to: cheating, plagiarizing, facilitating acts of testing dishonesty by others, having unauthorized possession of examinations, or submitting work of another person. Any instance(s) of testing dishonesty constitutes the need for disciplinary and/or legal actions. All certification candidates shall act with personal integrity, respect others rights and property, and help maintain a professional environment in which all can be successful.

Test Site Coordinators, Assistant Coordinators, Test Proctors, Evaluators and Instructors should take reasonable steps to anticipate and deter acts of dishonesty, reinforce integrity, and support appropriate behavior to protect the rights and trust of honest candidates. At the beginning of each test process, it is the responsibility of those to provide candidates with the “Testing Integrity and Dishonesty” policy and clarify questions that may arise.

**Falsification of Documents**
Any individual found to have forged, altered, or falsified documentation for the purpose of certification testing will be indefinitely suspended from participating in any certification exam within the Commonwealth of Pennsylvania. Further action may be taken in accordance with the Pennsylvania Crimes Code 18 Pa C.S. 4904, relating to unsworn falsifications.
Cheating on Test
All candidates are expected to work entirely on his/her own while taking any exam. Violations of test integrity consist of any attempt to receive assistance from written or printed aids unless provided by the test proctor for the purpose of a specific test, or any persons, papers or electronic devices, or of any attempt to give assistance.

Document Integrity
Certification candidates are expected to complete any and all work individually. For any material obtained from other sources such as plot plans, web maps, etc., a source reference must be given. All essay answers must be the candidate’s own work.

Study Reference List
The following list references texts that may be helpful in preparation for the test.

2. IFSTA Essentials of Fire Fighting and Fire Dept. operations 5th.
3. IFSTA Principles of Vehicle Extrication, 2nd edition, 1st printing
5. Jones and Bartlett, AAOS, First Responder, 4th Edition
6. Skill Sheets are available on the OSFC website [www.osfc.pa.gov](http://www.osfc.pa.gov)

Additional Information
1. Application should be to the test site at least 2 weeks prior to the test date
2. Please contact the test site of your choice to receive information about fees for testing
3. Photo ID is required at the time of the written and skills testing
4. Bring all appropriate PPE for completion of all possible skill stations
5. Dress appropriately, bring extra dry clothes
6. Bring food and beverage with you, stay hydrated.

Certification applications and skill sheets, in addition to the test schedule and test site contact information, can be found at [www.osfc.pa.gov](http://www.osfc.pa.gov) under the < State Fire Academy > link and subsequently the < Certification > sub-link at the top of the webpage. A page will open with information about the certification program and process. Scroll on the page to find the links to the certification applications, skill sheets, test schedule, and test site contact information.

If you have additional questions or concerns about the test process, please contact the test site coordinator at the site in which you applied to be tested at or contact the PA State Fire Academy Certification Program Staff.
FIREFIGHTER CODE OF ETHICS

I understand that I have the responsibility to conduct myself in a manner that reflects proper ethical behavior and integrity. In so doing, I will help foster a continuing positive public perception of the fire service. Therefore, I pledge the following…

- Always conduct myself, on and off duty, in a manner that reflects positively on myself, my department and the fire service in general.
- Accept responsibility for my actions and for the consequences of my actions.
- Support the concept of fairness and the value of diverse thoughts and opinions.
- Avoid situations that would adversely affect the credibility or public perception of the fire service profession.
- Be truthful and honest at all times and report instances of cheating or other dishonest acts that compromise the integrity of the fire service.
- Conduct my personal affairs in a manner that does not improperly influence the performance of my duties, or bring discredit to my organization.
- Be respectful and conscious of each member’s safety and welfare.
- Recognize that I serve in a position of public trust that requires stewardship in the honest and efficient use of publicly owned resources, including uniforms, facilities, vehicle and equipment and that these are protected from misuse and theft.
- Exercise professionalism, competence, respect and loyalty in the performance of my duties and use information, confidential or otherwise, gained by virtue of my position, only to benefit those I am entrusted to serve.
- Avoid financial investments, outside employment, outside business interests or activities that conflict with or are enhanced by my official position or have the potential to create the perception of impropriety.
- Never propose or accept personal rewards, special privileges, benefits, advancement, honors of gifts that may create a conflict of interest, or the appearance thereof.
- Never engage in activities involving alcohol or other substance use or abuse that can impair my mental state or the performance of my duties and compromise safety.
- Never discriminate on the basis of race, religion, color, creed, age, marital status, national origin, ancestry, gender, sexual preference, medical condition or handicap.
- Never harass, intimidate or threaten fellow members of the service or the public and stop or report the actions of other firefighters who engage in such behaviors.
- Responsibly use social networking, electronic communications, or other media technology opportunities in a manner that does not discredit, dishonor or embarrass my organization, the fire service and the public. I also understand that failure to resolve or report inappropriate use of this media equates to condoning this behavior.

Developed by the National Society of Executive Fire Officers
